Hi Rob,
NOAA did not provide separate written comments to the CSTAG on the Upper 9 mile proposal. A joint Federal Trustee letter was provided to EPA Region 2, however. If you'd like a copy of that letter, please let me know and I'll confirm with DOI that they are ok with providing it.

Hope all is well with you. Could you forward the comments that NOAA provided to CSTAG associated with the Upper 9 miles of the LPRSA?

Thank you.
